I want you!!

I want you!
あいうおん ちゅ～!!

Hmmmm...
If the 'this' goes here...
Where does the 'what' belong...?
Hmmmm? Hmmmmm?
Today, Nanoha's lips...
Whoooaaaaa!!!!
look incredibly soft!!!!!

What's going on in Fate-chan's head
Uaahhh!! This is dangerous!!! Dangerous!!!!!
Puckered Up
Her soft lips are in excellent form!! Soft Soft!!
Soft!!!
Ban
Zai!
Wowowow!! The more I look at them, the more radiant they are!!
どひゃあ!!!
Fate-chan...?
naaaa
naaaaa
!?
Hmm?
I can feel a gaze on me....
You've made absolutely no progress beyond the first problem!
Uggh...!!
Tap Tap
Lies!
You haven't been doing your homework!
Ehh!? Yes I have!
Twitch

You've been looking at nothing but my face for a while now!
!!!
You realized..?
How embarrassing...
Anyone would realize if they were being stared at like that!
Ashamed
We're going to hand this in during first period tomorrow.
Jeez...
You have to take this seriously
Hmmm.
Boooo

Grin
Inspiration
A kiss!?!?!
A kiss...
chche
fidget
Nanoha! If you give me a kiss, I'll try my best!

Honestly, Fate-chan...
you act so spoiled...
I'm doing this just for today, okay...?
Imagine that! Imagine that! Nanoha acting all bashful is simply ADORABLE!!
Fate-chan's Delusion

I refuse.
Eh...
This kind of face
Eh...
W-Why not...?
you made that face you make when you've got something dirty on your mind!
Fate-chan, that's because
! ! !
That's...
not true at all! I looked like my usual, dignified self!
TRYING HER BEST TO LOOK DIGNIFIED
Does it tire you out to make that expression...?
Lazy
... honestly... it does.
Ah, you're back to normal (hah).

Fate-chan's cheeks are soft...

Aren't they!? (Bragging)

Scribble Scribble
A kiss from Nanoha!!!!
After Fate-chan went and said that...
flip
Dummy.
I haven't been able to concentrate.

Solved it!!!
What do I have to do...
What do I have to do to be able to kiss Nanoha...
If that's the case, I have to change how I'm going about this.
If I assume that I am the one to initiate the kiss, as usual...
then I go through the problem like this... and...
Maybe it's wrong to think about it as "a kiss from Nanoha"...
When you kiss her
If I... She will ha

All that's left is to test out my theory!
GO! GO! Fate!
Aim for those luscious lips!!
Na-
Nanoha!!
Nanoha? What's wrong?
...?
Ah, it's nothing! I'm fine.
I'm fine.
I'm all flustered because of Fate-chan!
Idiot, idiot!
eheheh

I have no idea why!... but she's acting very bashful right now...! and a bashful Nanoha is...
irresistably
Cuteiiii!!!
きゃっ♥
Acting Shy

Tackle
タックル
Uwaahhhh!! She jumped over the table!!
RUB RUB
Nanoha, why are you so cute!? I've lost count of how many times you've made my heart skip a beat!! haaa!! haaa!! Nanoha, you're cute!! Nanoha, so cute!! Ahhh... I'm gonna eat you...!!!
Eh...
please don't eat me...

(Her face says 'Sorry')
(Her face is asking "Why!?")
An instant response
Eh...? I can't eat you?
You can't.
Mount
I don't understand this at all!!! Why not!?! Now is the perfect time to make you go "ahhhnnnn!!!"! You idiot!
I'm SORRY! I'm SORRY! I can't help it! It's been my time of the month since yesterday!
Isn't that a bit much!?!
Oh yeah, it was about time for that...

Just a kiss, then.
nnn...
!!
Is this going to end with just a kiss...?
Unease
We can't!! We really can't do this today, do you understand!?
Fate-chan!!
I know! I know!
